

Digi Ready - Polyester Wristbands

Digi Ready Wristbands are ready to be personalised. Just use the downloadable print template from our website. They simply peel off and are easily placed around the wrist.

Once removed, the wristbands are dry both sides - apart from the tamper evident adhesive patch that secures the band together.

- / Compatible with most digital laser printers
- / Waterproof and greaseproof
- / White
- / Available in - 289gsm, 220ums | 297gsm, 220ums
- / A4 and SRA3
