

Digi Press PermaTrans R1581- Laser Dark Transfer

PermaTrans R1581 Laser Dark Transfer is a high quality image transfer paper designed for laser printing and transfer to dark substrates. PermaTrans R1581 Laser Dark Transfer is compatible for a broad range of laser printing including HP Indigo and others.

This permanent fabric transfer is an excellent choice for laser image transfer applications.

- ✓ For light or dark coloured substrates
- ✓ Fast drying receiving layer
- ✓ Permanent fabric transfer
- ✓ Excellent quality on laser printers that do not use fuser oil
- ✓ Easy to peel both hot and cold
- ✓ Excellent colour density after transfer and washing
- ✓ Excellent toner adhesion
- ✓ Print quality tested using OEM inks only
